

## 2017-2018 High School Scholarship Program

Three \$750 scholarships will be awarded to graduating seniors (or GED equivalent) who are college bound (or other post-secondary institution) in 2018. The scholarship will be paid directly to the awardee's selected post-secondary institution in September. One of the scholarships is funded by Danny McGovern – RE/MAX Properties Northwest.

The applications are judged on their service to community and school, response to essay questions, awards and honors, transcripts, extracurricular activities, and letters of recommendation. The student should emphasize their areas of strength, as the committee will equally consider all candidates.
